STEPHENSPOET.

Mr. G. W. Payne is on the sick list at present.

S. H. Dix, of Robert's Bottom, is very ill at this writing.

Mr. M. Blain was thrown from a horse last Friday giving him a lame knee.

Prof. Owen Cunningham was also to resume his school again last Monday.

Miss Ada Hanks was home Saturday and Sunday from her school at Laymond.

Thomas, Mc Fyrrine and H. C. Cunningham, of Chenoaut, passed through our town Saturday.

Mrs. Will Lennin, of Hardinsburg, is the guest of her parents, Mr. and Mrs. Roland Smith.

Dr. Willie returned last week from the World's Fair. On the road he found plenty of "Mud".

Mr. Hewitt-Hawkins, wife and little daughter, Pauline, of Union Star, are paying their relatives a visit here.

Mr. and Mrs. F. C. Perry, of Cloverport, are at home now with their parents.

We are glad to have them in our midst again.

Miss Georgia Hawkins was in Louisville last week purchasing her fall hats and see them before buying elsewhere.

Mrs. Sarah Bruner, accompanied by Miss Lillian Chapman, of Union Star, spent the day with Mrs. James Biggs Saturday.

We are sorry indeed to hear of our friend, Mr. Jas. Shelman, having two more of his family stricken with that dread disease, typhoid fever.

Quarterly meeting was held at this place Saturday and Sunday, conducted by Presiding Elder Allen. Excellent sermons and large attendance.

Among the incidents of childhood that stand out in bold relief, as our memory reverts to the days when we were young, none are more prominent than severe colds. The young mother vividly remembers that it was Chamberlain's Cough Remedy cured her of croup, and in turn administered it to her own offspring at all times with the best results. For sale by A. R. Fisher, Cloverport, and Witt & Menzies, Hardinsburg.

Missionary Meeting.

There will be a missionary meeting at the Irving Baptist church, Wednesday, November 1st, 1893. B. W. C. Crocker, D. W. Herring, F. M. Royall and T. L. Blalock will be present. It will be their farewell meeting with this church before sailing for China. There will be a morning and afternoon session and all are invited to be present. We expect several other ministers besides these to be with us.

CONSTANTINE.

Farmers are almost done cutting tobacco.

Farmers are busy sowing wheat this week.

Our school is progressing nicely under the excellent management of Prof. Hall. Prof. Hall is both a clever gentleman and an able instructor.

Supt. Miller visited our school Thursday. His talk to the pupils was brief and to the point. Mr. Miller like the bell-boy, will get there just the same (in November).

Mr. F. Mercer has been repairing his house into which he is expecting to move soon. Everything from the wain's nest in the garret to the rat hole in the cellar fell a victim to lime and water.

Mr. George Heyser, formerly of Evehigh, has located here and will in short time engage in the mercantile business. Mr. Heyser is a hustler in the business and we are glad to have him with us and wish him success and happiness.

Mr. George Hayes, of Rineville, Hardin county, is here selling out the stock of goods of N. Hicks & Co. George is a jolly fellow and always a word for the boys and a smile for the girls.

A strange incident took place the other day at Hudson, a village two and a half miles south-west of Constantine, in which two men were badly hurt. Mr. Joe Drane, the merchant of Hudson and Mrs. Franklin Ames, who reside near town were in Mr. Drane's store, when something not agreeable took place and a fight followed, in which Mr. Drane is said to have used a weight cutting Mr. Ames's head badly. Doubtless they both have dreaded the other for some time. What caused the trouble we have not learned.

"All that honesty, experience and skill can do to produce a perfect pill, has been employed in making DeWitt's Little Early Riders. The result is a specific for sick headache, biliousness and constipation."

A. R. Fisher, Cloverport, and Witt & Menzies, Hardinsburg.

Her One Objection.

Mrs. Bagnall—"But you have a girl to take care of your dear little Fido?"

Mrs. Linger—"Oh, yes. But I couldn't get her to stay."

Mrs. Bagnall—"What was the matter?"

Mrs. Linger—"She didn't like it because we kept a baby."—Brooklyn Life.

Wheat in Christian County.

The Hopkinsville Kentuckian says: "Wheat threshing has been in order during the past week and fully four-fifths of the crop has been knocked out. The yield is generally satisfactory and the condition excellent, some weighing 60 pounds to the measured bushel. Much of the crop has been sold and delivered at prices ranging from 40 to 50 cents. Some buyers storing their purchases, believing that there will be a heavy advance in price by October 1. There is certainly no prospect of the price becoming lower."

If you can afford to be annoyed by sick headache and constipation, don't use DeWitt's Little Early Riders for these little pills will cure them. A. R. Fisher, Cloverport, and Witt & Menzies, Hardinsburg.

Republican Citizens Ticket.

Is What The Republicans Put Up For the City Offices.

The Meeting Not Altogether Harmonious.

The meeting called for last Saturday night by the chairman of the Republican committee met promptly at 7:30 in the city hall and was called to order by chairman Albi who read the call and tried to impress the fact on the listeners that it was strictly a Republican meeting, regularly called and whatever action was taken the party was responsible. He said the first thing in order was the selection of a permanent chairman and on motion of Mr. Amel Oels Mr. Albi was selected for that position, not, however, without some protest on the part of that gentleman. The meeting couldn't go on in that light so he finally consented and the meeting proceeded to business.

R. L. Oels was chosen secretary.

The chairman again read the call and stated that it was a Republican meeting and that it was a Republican meeting and that it was a Republican meeting.

R. N. Miller was the first gentleman to speak on the subject of nominations. He said in substance that he did not believe politics should be brought into city elections. That he was in favor of good men for the place rather than politicians. What the city needed was a man of good government and the men should be selected with that view. He was not in favor of a straight Republican ticket in the field and for that reason he had declined to make the race for Police Judge himself. There was presented a list of names for the city offices and the different offices made up of both Democrats and Republicans, and I am in favor of this meeting endorsing that ticket and I make a motion to that effect, if I can make a second.

Mr. Amel Oels seconded the motion of Mr. Miller and endorsed that gentleman's position. He too was of the opinion that politics should not be made an issue in city elections and he was in favor of good men, regardless of their party. He said there was no chance to elect a straight Republican ticket for the reason he had declined to make the race for Police Judge himself. There was presented a list of names for the city offices and the different offices made up of both Democrats and Republicans, and I am in favor of this meeting endorsing that ticket and I make a motion to that effect, if I can make a second.
